Southern CA Area & Surrounding Residents

Dear Friends and Horse Show Enthusiasts,

Have you ever witnessed poetry in motion? Each year the Tennessee Walking Horse Association of California (TWHAC) strives to bring the beauty, grace, and unique movement of the gaited horse out to the West Coast. This great opportunity to experience the elegant power of the horse is made possible by the generous support of people like you.

In past years, TWHAC has primarily catered only to the residents of southern CA or neighboring states. We hosted one show up north in 2010. The show was so well received that we are going to try it again in 2011! We sincerely hope you'll join the fun at the Santa Cruz County Fairgrounds in Watsonville with the CA Celebration featuring Tennessee Walking Horses, Spotted Saddle Horses, and other (non)gaited breeds. All breeds are welcome to join us again on April 15-17, 2011. If you are unable to travel up north, please consider visiting us at the the Fairplex in Pomona, CA on May 14-15, 2011 for our CA Summer Classic Horse Show instead.

We're asking you, today, to take part in making these great events a reality by making a simple monetary donation* of \$100+ towards class sponsorships or a new silent auction item to benefit the show (i.e., gift baskets/certificates, electronics, horse gifts, etc). Your donation will ensure these fun festivities are a great success and solidify the future of another such event. To send your generous donation, please make checks payable to TWHAC and mail them to our volunteer sponsorship coordinator:

The Tennessee Walking Horse Association of California extends its warmest wishes for 2011-2012 and offers its most genuine thanks for your time and generosity.

Sincerely,

Tennessee Walking Horse Association of California
